DECLARATIONS FOR FAMILY AND THE ECONOMY

As a representative ecclesia of Alberta:

1. We declare, that the families in Alberta have been given everything for life and Godliness through our knowledge of Jesus who called us by his own glory and goodness (2 Peter 1:3). That the Lord has released us to have dominion (Gen. 1:26, 28) and authority (Luke 10:19) over the land. Therefore we thank you Lord that You have given us the good of the land and therefore we shall eat the fat (the finest produce) of the land (Gen. 45:18).
2. We declare that Alberta has a strong, sustainable, resilient economy, where families are prospering through hard work, perseverance, and strong faith as they walk through challenging times.
3. We declare that the business sector in Alberta is innovative and on the cutting edge of technological advancement for the blessing of Alberta, Canada and the nations. That the agricultural, trade and energy sectors will be unhampered by global decision makers and woke ideology. We declare that Alberta's agricultural, energy (oil, solar and wind), construction, transport, manufacturing and trade industries are free from ungodly intervention and intimidation by civil jurisdiction.
4. We declare that Alberta is a hub for a variety of industries and trade centres, national and international. That the Albertan economy will flourish and expand as we welcome all levels of businesses (from small to multi-corporations).
5. We declare an expansion and diversification in the job market and therefore the workforce of Alberta, providing a variety of jobs for families. May our workforce be filled with a spirit of excellence and great favor with employers.

Alberta once said "My power and the might of my hand have gained me this wealth."

But the Lord reminded us in Deut. 8

Deuteronomy 8:18 "And you shall remember the LORD (Adonai) your God, for it is He who gives you the ability to produce wealth, that He may establish His covenant which He swore to your fathers, as it is this day."
